PICKUP PROCEDURE

Stop 1. Check-In with CSA Coordinator: where we will check your name on the check-in list. The check-in list indicates what you are scheduled to pick up.

Stop 2. The Produce Line: Is where you collect your produce share. A typical share will consist of in-season fruits, vegetables, herbs, and flowers, grown and harvested by Crow Farm. From time to time other items may be included that are not grown by Crow Farm. (ie. local cheese, salad dressing)

AND PLEASE REMEMBER:

Only pick up on your pickup day: You can only pick up your share on your scheduled pickup day as we only have as many shares as we have members. If you are unable to pick up your share on your pickup day, ask a friend or another CSA member to pick it up for you.

Extenuating circumstances: please communicate with the CSA Coordinator, Ann Wood, as soon as possible. The best way to reach Ann is: text or call **508-564-2213** or email her at: **thewoodfam@comcast.net**.

*****Pleasenotthatwecannotreimburseyoufor share(s)notpickedup.*****

Bring the bag, provided at start of CSA or your own bags, to gather your produce. In the spirit of recycling and to keep costs down, we do not provide more than the one bag at the start of the CSA. However, we have an "I-Forgot-My-Bag" area where members can donate bags for those who occasionally forget their bags.

Thank You for supporting our Farm!
